## FOR INTERNAL CIRCULATION ONLY

Dear Clergy, Religious, Heads of Ministries and the Lay Faithful,

### **Re: 2<sup>nd</sup> Notification and Updates in the Diocese of Penang**

Greetings of Joy, Mercy and Hope!

I pray you are coping well thus far by the Grace of God. Here I wish to share with you additional notifications and updates in our diocese. The updates will be provided periodically through this same means from my office.

#### ● **Item 1**

The Diocese of Penang has officially set up a **Diocesan ZOOM account** mainly for the use of the Bishop's Office, Diocesan Committees, Diocesan Institutions, and Diocesan Ministries. These mentioned could use the facility for meetings, formations, discussions, etc. As this is a shared ZOOM account, a booking form will need to be filled up, at least 2 weeks in advance, after which a confirmation email will be sent with details of the scheduled date and time for the session requested. Link for booking: <https://form.jotform.com/203059092048453>

It is hoped that this means of communication will be one way of engaging with one another in a safer manner, so as to continue our mission during this time when gatherings and meetings are restricted. I would also like to encourage all individual parishes in the Diocese of Penang to invest on other or similar means of communication for the outreach of the parish community.

As the realities on the ground with regards to the COVID-19 situation is very volatile and diverse in all the 5 states and districts of the Diocese of Penang, I encourage the **parish priests to continue monitoring the situation constantly** and decide accordingly together with your leaders on measures to be taken especially for the liturgical services. Having said that, I humbly urge and encourage all **parishes who are allowed and able to open your churches to provide the liturgical and sacramental services**, while continuing to take the necessary precautions, **following the standard operating procedures advised by the civil and church authorities**. Always clarify with the local authorities concerned should there be any doubt. Please feel free to consult me if need be.

## ● **Item 10**

The Parish Priests in the **Penang Island Deanery** upon consultation with me, have suspended all public masses in the parishes located within the Penang Island from 7<sup>th</sup> Nov – 20<sup>th</sup> November 2020.

I take this opportunity to thank all priests and deacons who went to bless the graves and cemeteries of our faithful departed for All Souls Day and I thank you, my dear people of God, for your perseverance and faithfulness in remaining hopeful during this time of grace. Be assured of my prayers and solidarity with all of you as we journey together as one Body of Christ, remembering the call of Pope Francis, 'Fratelli Tutti'.

**"Be joyful in hope, patient in affliction, and faithful in prayer." (Romans 12:12)**

*"Be Disciples of Hope"*

Sincerely in Christ,
